

A YEAR OF GOD'S LOVE ON DISPLAY

SEEING GOD AT WORK IN
OUR SHARED COMMUNITY

We praise God for a new year and new hope and pray that this new year will bring health and blessings to all of you.

Love INC remained strong through the second year of the pandemic. God has graciously guided us through the shutdowns, volunteer shortages, and staff changes.

The **Connection Center** continued as the pulse of Love INC and the primary connection for Churches and community. We saw more collaboration and conversation with the local Church and meaningful options for compassionate service.

IMPACT classes resumed in person after 18 months of "zooming"... which provided a valuable, regular rhythm to gather and interact for many Participants who were shut-in and isolated during COVID. Transformation continued!

Renewed Treasures provided clothes and household items for hundreds of adults and kids. We welcomed Volunteers and Donors back to actively show Christ's love and be the outward face of Love INC to shoppers and the community.

A new resource ministry, **Furnishing Hope**, engaged more than 100 furniture donors and 5 moving teams. We gave quality furniture to over 50 households including Clients, aging-out foster youth, and newly-housed neighbors.

On behalf of the **Love INC Board of Directors**, I would like to thank our hundreds of Donors and Volunteers for all they do to support Love INC. It is because of your generosity that we are able to transform lives and impact the communities we live in. You allow us to show how The Church can pull together to put God's love on display!

In Christ's name,

Justin Ensign
Love INC Board Chair

Our Mission

To engage local Christians and Churches to transform lives and communities in the name of Christ

This year we launched our expanded **Furnishing Hope** Ministry.

We gathered clothes and Church Volunteers for **Back to School**.

We returned to our in-person **IMPACT** class "Affirming Potential."

ABOUT LOVE INC LITTLETON

Who We Are

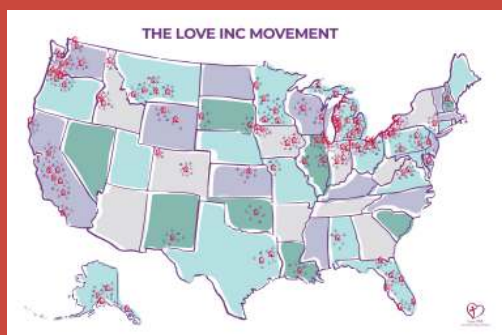

We are a 501(c)3 non-profit Christian ministry located in Littleton and made up of a partnership of Christian Churches serving the south metro's individuals and families since 2008.

What We Do

Love In the Name of Christ (Love INC) seeks to be the eyes and ears in the community, while local Churches are the hands and feet. The local Church is God's answer to community brokenness and a part of His plan of redemption and restoration. That is why we engage local Churches to offer a holistic approach to caring for people in all areas of life: spiritual, mental, emotional, relational, material, and physical. Together, we are the body of Christ serving our community with love.

Love INC National

Love INC affiliates cover over 115 communities around the country.

Our Littleton Love INC has had the benefit of a national support system and a proven model of transformational ministry since 1977.

In 2022, after using the purple heart and red cross for the last 20 years; Love INC National will change our logo to the blue heart and cross that includes a lattice design showing how we are **connectors** in compassion ministry. We help **build a framework** on which the community in need intersects with the local Body of Christ and finds transformation!

"IN CORPORATE LIFE, MY OPPORTUNITY TO SHARE CHRIST WITH PEOPLE WAS VERY LIMITED BUT NO MATTER WHERE YOU
WENT IN THE WORLD, IF YOU FOUND A CHURCH THAT LOVED AND BELIEVED IN THE LORD, YOU'D HAVE A FAMILY - YOU'RE
NOT A STRANGER. AND LOVE INC IS REALLY A PICTURE OF THAT - THE BODY OF CHRIST WORKING TOGETHER."
— STEPHEN CHAFFEE, LOVE INC IMPACT COACH & BOARD DIRECTOR

JOURNEY OF TRANSFORMATION

How it works

Request

Our **CONNECTION CENTER** receives requests for help from area agencies, Churches, individuals, or families needing assistance and resources.

Assess & Verify

The nature, extent, and legitimacy of the request is determined through an intake and references.

Refer

Once the request is analyzed and verified, it is referred to the appropriate Love INC resource ministry, local Church, or agency for assistance.

Serve

Service may be provided by **FURNISHING HOPE**, through vouchers to **RENEWED TREASURES**, and others providing **TRANSPORTATION** or **DIAPERS**.

Invite

Clients are invited into more relational support and life transformation through the help of a Volunteer **NAVIGATOR** or enrollment in our **IMPACT PROGRAM** with free like-skills courses, coaching and financial support to achieve goals.

Follow-up

All of our Connection Center Clients and IMPACT Participants are prayed for, contacted for potential new needs, and shown hope and encouragement to face their challenges.

Jacquie's Story

Jacquie retired after facing cancer and with a recent divorce and Covid financial challenges, she called us. She was struggling with her value and self-worth.

"A friend of mine said you should call Love INC so one day I prayed and took courage and I called and when I called at the other end of that phone was love and compassion. The first order of business was trying to meet some of my physical needs, which Love INC said 'Oh, we can help you with food.' I thought 'Oh they'll give me a gift card and I'm going to have to go in the store.' Oh no, they said 'we're going to deliver it to you!' Who does that? I still get that delivery because my stamina with my illness won't allow me to stand in line at a food bank.

Then one day I got a call from Terry Bate with an invitation to try out IMPACT classes - a place where you can come to community and learn. I took 'Affirming Potential,' and I found my value and worth - that God still loved me and God still valued me. Love INC is giving me tools for my tool belt all along the way and I have to really say that Love INC saved my life - not just in a physical sense, but more in that spiritual sense that I wasn't alone. I took other classes and even though we were on Zoom, it was a community.

And so now I volunteer in the Connection Center and I get the privilege of helping other people. And I love praying with people and at the end - after I talk to people - I take their names home with me and I pray for those people. I want to be a person that makes an impact!

"I JUST WANTED TO SAY THANK YOU SO MUCH FOR THE CERTIFICATE TO THE RENEWED TREASURES STORE FOR MY PARTICIPATION IN 'FAITH AND FINANCES.' I USED IT TODAY AND WAS SO PLEASED WITH THE NICE HOME ITEMS I WAS ABLE TO GET. THE WHOLE STORE HAS SO MANY LOVELY ITEMS. THANK YOU, AGAIN. THAT WAS A VERY NICE AND GENEROUS GIFT. PRAYERS FOR BLESSINGS FOR EVERYONE AT LOVE INC." - IMPACT PARTICIPANT
