

# ANNUAL REPORT 2024

Thanking God for...Expansion

Littleton

# DEAR FRIENDS,

How have you approached big life changes? Are you a planner, or do you wait for God to provide signs and a nudge? We see both examples in Proverbs 16:9 "A man's heart plans his way, but the Lord directs his steps."

This year God showed Love INC Littleton that our plans, with God's direction, can create transformations and treasures.

2024 marked the beginning of Love INC's 3-year strategic plan (*see back cover*) and brought many opportunities to share Christ's love in our community. We had plans but God had more....

In March God provided an opportunity for Littleton's beloved resale store, Renewed Treasures, to expand. From concept to fundraising to completion, this transformation took just eight months! This bigger and better store is truly a treasure, providing a sense of community and joy for all who enter.

We celebrate what God is doing through your faithful support, prayers, and hard work. Through you, Christ's love is being proclaimed and shared on phone calls in the Connection Center, interactions in the community, and classes at IMPACT. Thank you!

In Christ's Name,

## GOD EXPANDS OUR FAITH, OPPORTUNITIES, & WALK WITH HIM

"My IMPACT family and Safer\* family have been on an amazing journey, learning each others' stories and building a stronger relationship with the Lord.

I remember one night I got caught off guard at IMPACT when I heard I was going to take over as group lead for the night because Dan Sarian (our facilitator) was not going to be in. At first I thought they must be joking. Then I realized they were very serious! Right then and there I asked the Lord to give me strength and the right words to say. It turned out to be a good group discussion! I realized Dan saw something in me for him to ask me to run group even when I didn't think I was ready to do it. And I give Jesus all the praise because He gave me the strength and words to say.

Soon it started to make more sense, what the Lord was doing with me- helping me put all my trust, love, faith, hope, *everything* in Him and letting Him have the driver's seat. I am along for the ride as the Lord teaches me how to walk with Him. More doors started opening: staying in the Word, praying for people, telling others about the Lord, handing out Bibles, and finally getting baptized on December 22, 2024. (Such a wonderful night!) Thank you IMPACT family and Safer. To God be all the glory!"
