2025 ANNUAL REPORT

Dear Love INC Littleton Supporters,

Every day our neighbors face crises of many kinds. Their cries are heard. You respond. Through Love INC Littleton you reach out to the lost and lonely in our community, providing connection and Christ’s love. This is why we exist...to mobilize dozens of churches and hundreds of volunteers.

This work is constant. And sometimes it is difficult. **Jesus was the ultimate example of walking alongside those in need.** He saw them; he empowered them; he loved them. It’s what we are called to do as Christians, and it is a great gift to our neighbors and to the community.

The needs in our community are increasing. This 2025 annual report celebrates how **more** Love INC churches sent **more** volunteers to respond with **more** discernment, teamwork, and prayers. Love INC Littleton is putting Christ’s love on display for callers in the Connection Center, for shoppers at Renewed Treasures, for students at IMPACT, and for volunteers who serve in so many ways.

In his book *A Long Obedience in the Same Direction*, Eugene Peterson highlights the call of Christians to continue our life of prayer, service, community, and blessing. His message echoes Colossians 2:6 (NIV), **“So then, just as you received Christ Jesus as Lord, continue to live your lives in him.”** The Christian life is a marathon, not a sprint.

Love INC Littleton’s 17th year of continuation on this journey is because of you. Thank you for being faithful volunteers, generous donors, and joyful good-news-delivery folks!

Continuing the journey...

I learned about IMPACT at a very difficult time in my life. I would show up feeling low, and the kindness and smiles helped me make it through.

FINDING HOPE TESTIMONY

When Michette found IMPACT, she was facing a very difficult life season....

I was almost homeless. My partner of eight years had just died, and then my father died a year after that. My family had ostracized me, and I was all alone and very sick. I was reaching out to try to find [some help].

Well, I found Love INC, and I was blown away. It was sooo God sent. I was hoping to get back on my feet but instead it was way, WAY more than that. I started dreaming again about what I wanted to do with my life. I got hope. I got friendship. I got direction and...transformation.

My friends see me now and say "You're so different. You have joy now!" I've gained so much. But the most important thing is I've gained a relationship with God that I never, ever had before.

Thank you, IMPACT. And thank you, God!

Like Jesus' ministry, Love INC puts caring and loving first.
