HARVEST AT HOME

A Virtual Fundraising Event

Saturday • October 10, 2020 • 7:00 pm - 8:30 pm

You are invited to Be a Garden Sponsor

Invite your friends, family and co-workers to join you for Love INC's annual fundraiser either at your home or have them sign up to receive the link to join the virtual Harvest at Home watch party. This inspiring evening will highlight the many positive things that are happening at Love INC despite the challenges of this past year plus the opportunities 2021 holds.

Connection Center: connects people with transportation needs, information needs, diaper needs and our voucher program, which provides much needed clothes and housewares through Renewed Treasures resale store. The Connection Center has remained open and active despite the COVID 19 restrictions and we were able to revise part of this ministry to provide people with COVID-19 Resources.

Renewed Treasures: our high-quality resale shopping experience for the community and voucher clients closed for three months. We took that opportunity to redesign the store to follow Covid-19 requirements. The shop opened on a limited basis beginning in June and is now back to Tuesday-Saturday shopping.

IMPACT: our transformational weekly ministry focuses on life-changing compassion. Through the help of our volunteers, we provide dinner, childcare, prayer, life-skills teaching, coaching and incentive support. When meeting publicly was suddenly limited, IMPACT utilized the Zoom platform and continued encouraging those we serve with information on healthy finances and relationships and continued providing coaching.

With your support and the support of those you invite to watch this annual fundraiser, more lives can be transformed through Love INC's partnership with 38 local churches and hundreds of volunteers.

Links to this year's Virtual Fundraiser will be emailed to you. You will also receive an email you can send to friends and neighbors to invite them to sign-up and watch too.

Yes, I want to be a Garden Sponsor for HARVEST AT HOME

Name _____ E-mail _____ Cell _____

Address _____ City _____ Zip _____
