

2019 YEAR END REPORT

CONNECTING CHURCHES  LIVING LOVE

Dear Love INC Supporters,

Praise God for a blessed 2019!

The **IMPACT** campus grew in scope and participation, **Renewed Treasures** had a record-setting year, and The **Connection Center** (fka The Clearinghouse) provided hundreds of neighbors with services, referrals, and prayer.

We strive to live out the principles of Redemptive Compassion daily. In May we welcomed author Lois Tupy as our keynote speaker for a Friday night volunteer appreciation dinner and a Saturday morning seminar.

After 11 years of ministry, we were able to purchase our own building! This new home at 5745 S. Bannock St is in the heart of Littleton and provides room to grow and expand our mission. We are engaging in new collaborations in our community which provide more opportunities for The Church to live out its mission to transform lives in the name of Christ.

As we welcome a new year and a new decade, we praise God for you, our generous donors and volunteers, and we embrace God's call in Genesis 12:2 as we recognize that we are indeed blessed to be a blessing.

With gratitude and praise,

Bob Heisser, Love INC Board Chair

Gina connecting with a client

Gina (Connection Center Volunteer) prayed with a client who was feeling discouraged & very down on himself. As Gina finished praying with him, he said, "I think I heard God speak to me while you were praying." With emotion in her voice, Gina told him, "God talked to me through you, too!"

Genesis 12:2

"I will make you into a great nation, and I will bless you; I will make your name great, and you will be a blessing."
